

**A Vintage Holiday—An Evening to Remember**

Honorary Chair Ed Stolman and friends set the tone for the elegant evening created by Julie Atwood Events, including world-class entertainment by Wesla Whitfield and the Mike Greensill Trio.

The Vintage House did it right when they made this evening all about the guests during the gala. It was like being in an old-fashioned supper club where the smart set gathered for cocktails, hors d'oeuvres, dinner, entertainment and dancing. The fundraising element just happened to appear, said "good evening," and tiptoed out to let the guests enjoy the evening. A Vintage Holiday was a great success, with proceeds of more than \$100,000. It was a stirring tribute to the work of Executive Director Cynthia Scarborough, board, staff and volunteers for a wonderful and elegant evening.
